Hurricane Relief Fund

This week, Park Lane Baptist Church is asking that you consider giving beyond your normal tithe to help recovery efforts from the hurricanes in Texas and Florida. We, along with other churches in the Nebraska Association of Regular Baptist Churches, are collecting funds to send to the **Regular Baptist Builders Club** (RBBC) to help sister churches and their ministries to repair and recover from their losses in the recent hurricanes. As you put your gift to help those churches in the offering box, mark your giving envelopes as "hurricane" and those funds will be collected then sent by the NARBC to RBBC

The Regular Baptist Builders Club is a ministry of the General Association of Regular Baptist Churches based in Arlington Heights, IL. It exists to provide assistance in planting a church, expanding a church's facilities, or cleaning up and ministering after a natural disaster.

*It does this through four areas. **Start-Up** grants provide funds, resources, and assistance to church plants. **Build Up** grants lend aid to growing churches that are seeking to expand their facilities. **Help Up** grants are designed to assist Regular Baptist Churches that have experienced a catastrophic loss.*

*And **Disaster Relief** helps local GARBC churches minister to their communities in times of disaster.*
