Sermon Applications

What kind of thinking do you have?

What meaningless things do you think or worry about?

What dark things do you think about or put into your mind?

What ungodly things do you think on?

How have these perhaps calloused your thinking without you recognizing it?

What are new, God-honoring things can you think about?

Find some verses that may help you with the way you think and write them down.

What kind of changes do you think might happen if you start thinking differently, more godly?

What changes do you need to make to live more righteously?
